Department Functions

Patrol officers are tasked with maintaining a constant presence within the community by maintaining routine patrols within town limits. Officers also respond to calls from the public for assistance, both 911 emergency and non-emergency. Additionally, while on patrols, officers initiate a variety of activities including traffic stops, investigating suspicious persons and vehicles and security checks of local businesses.

Assist and Protect the Public

Officers assist the citizens of Ellettsville by providing a host of services including providing business and residential welfare and security checks. Officers also ensure and maintain order at public events in Ellettsville (i.e., Fall Festival, Fireworks display, Hilly Hundred, and high school basketball and football games) whether it is by directing traffic, crowd control, or simply providing a police presence.

Enforce State Laws and Town Ordinances

Officers are tasked with enforcing all applicable state and local laws. These include criminal and traffic laws established by the Indiana State Legislature, as well as ordinances passed by the Town of Ellettsvilles' Town Council. The enforcement of traffic and parking laws is a large part of the responsibilities of the patrol officers. They also perform preliminary investigations into possible criminal acts that occur within the town.

Crime Prevention, Detection and Deterrence, Crime Investigation

Officers continually assist in educating the public regarding crime trends, as well as potential threats to the publics' welfare. When crimes do occur, officers perform the initial investigation into the facts of the incident, collect evidence, interview witnesses, create reports and assist in making apprehension of offenders.

The Ellettsville Police Department conducts directed patrols throughout the year, including Operating While Intoxicated patrols, aggressive driving patrols, seatbelt enforcement patrols, nightly building checks, holiday patrols and extra patrol requests for vacationing residents.

Our officers often speak and/or participate in multiple classroom settings, public meetings, and community events.

Investigating Traffic Accidents

Patrol officers are also tasked with investigating traffic accidents that occur within the town limits. The majority of these accidents are property damage accidents for which officers create reports. Officers also investigate accidents that involve serious injuries.

The Ellettsville Police Department is always working diligently in the areas of traffic crash prevention by enforcing the state's traffic laws in our community. Officers on regular patrols, as well as officers that are working on several state grants for traffic enforcement are always monitoring for traffic violators.

In 2013, over 4,200 vehicle stops took place which resulted in 2,284 traffic citations or arrests. During the same period, there were 3,004 traffic warnings issued.

The Ellettsville Police Department's efforts to reduce impaired driving in our community continue with great success. As seen from the statistics below, the number of arrests in this area remains high. In 2013, 48 drivers were arrested for Operating a Vehicle While Intoxicated.

The Ellettsville Police Department is dispatched by the Monroe County Central Dispatch Center, which receives all emergency 911 calls for service from the Ellettsville community.
