ELLETTSVILLE POLICE AWARDED COMMUNITY APPRECIATION GIFTS

ELLETTSVILLE, INDIANA (July 25, 2016): On Saturday, July 23, 2016, the Ellettsville Assembly Of God held a Community Appreciation Day at Marci Jane Lewis Park in Ellettsville to honor and praise local public servants. The Ellettsville Police Department was awarded a Community Appreciation Gift from the Ellettsville Assembly Of God on Saturday July 23, 2016 in the amount of \$1,010.00 to purchase two new body cameras. The Ellettsville Fire Department received a remote portable lighting system valued at nearly \$800.00. Ellettsville Fire Chief Mike Cornman stated that there are numerous times when the firefighters work in poorly illuminated areas where this type of lighting would work in place of hand held flashlights. The lights are rated at 3000 lumens of brightness and they are LED with a rechargeable battery.

The Ellettsville Police and Fire Departments were both represented by Officers and Firefighters who displayed some of their vehicles and equipment for attendees.

The members of the Ellettsville Police Department and the Ellettsville Fire Department sincerely appreciate these acts of kindness the Ellettsville Assembly of God has brought to them.
