ELLETTSVILLE POLICE SEEKING INFORMATION

ELLETTSVILLE, INDIANA (October 5, 2017): The Ellettsville Police Department is seeking information or witnesses to an incident that occurred on Saturday, September 23, 2017 during the Monroe County Fall Festival Parade. The incident occurred at the intersection of Main Street (S.R. 46) and Matthews Drive, involving a full-size, newer model pickup truck that was a darker maroon/brown color, possibly a Dodge. The truck drove south on Matthews Drive, crossing through the traffic cones that were blocking the road and struck the Police Officer who was directing traffic there. The Officer was not injured in the incident. The Officer described the driver as an older, heavyset, white male. The male is believed to be a local because just prior to the incident, the driver was yelling to the officer that he knew Jimmie Durnil, the Town Marshal.

Anyone with information is asked to contact Detective Eric Chaudion at 812-876-2270 or at echaudion@ellettsvillepolice.com.
